Objects and Business of the Association

Name

- 1 The name of the Association is *Association of Canadian Mountain Guides*.

Objects

- 2 The objects of the Association are:
 - (a) To protect the public interest by advocating best practices and promoting high standards of risk management for mountain guiding and its related activities.
 - (b) To represent its members in dealing with official bodies, both public and private.
 - (c) To establish and maintain professional standards of competence and conduct for mountain guiding and its related activities within Canada.
 - (d) To ensure that the institutional bodies that administer its training and certification programs meet the standards established by the Association.
 - (e) To provide services to its members that enhance their ability to work in the profession of mountain guiding and its related activities.
 - (f) To promote awareness within the general public of the Association and the benefits of professional mountain guiding and its related activities.
 - (g) To strengthen cooperation and promote cordial relations among its members.
